

THE LANTERN

MARCH 2013 VOLUME 15, ISSUE 3

Special Election

By approval of the Division 10 Board of Directors, **Rick Cobb** has been appointed to fulfill the term of our past Superintendent, **Lou Jaquith**. During our business meeting March 3, 2013, the members of Division 10 will vote on making Rick's appointment permanent.

Also during the March meeting, the members will vote on the office of Assistant Superintendent, to replace Rick Cobb. **Brian Jones** is on the ballot for this position.

Message from the Superintendent

My name is **Rick Cobb** and I feel honored to have been selected as Superintendent to fulfill Lou's term. I am originally from Nashville, but graduated from high school in Louisville. My career has been mostly in the automotive business, 15 of those years as an automotive consultant traveling across the US. I retired but reentered the work force in 2012 and I'm currently working for Kentucky State Police in the Criminal Records and Technology Center. Even at an early age I loved trains. Because of my early experiences I have a fondness for the **L&N** as well as the **MONON**. I'm looking forward to this opportunity to serve. If you ever have any questions please feel free to contact me.

A snowy weekend caused me to cancel the February meeting. I felt it was in the best interest of the whole division to err on the safe side and cancel. I apologize for any inconvenience this may have caused.

At our March meeting, **Joe Holbrook** will conduct the clinic on soldering that was scheduled for February. I'm looking forward to his clinic to better my soldering skills and I know Joe will provide some interesting information and ideas.

We will also have the much awaited Diorama contest at this meeting. **Fred Plymale** will be judging the contest and I know he will do an excellent job as always. Bring your completed diorama judging form that was included in last month's *Lantern* to the March 3rd meeting with your, never before judged by Div. 10, diorama.

In addition we will have the February Bring and Brag (see "Around the Bend" below for March's subject) while the judging is going on for the Diorama contest. This will keep us on track for the Modeler of the Year Contest.

In closing, if you have any items that you would like to donate to the Division 10's auction, please see any officer. We are in the process of bringing the Auction back. Our plan is to acquire some nice items and raise some funds for the Division. — Rick
