Bring n' Brag January 2007

Our first Bring n' Brag for 2007 was locomotives and we only had two entries in modeling and no photos at all. Kind of surprising considering we had a good attendance that day!

First, Ed Graves entered an outstandingly weathered L&N GP-7 in the black and cream scheme and Michael Tyra exhibited his PRR T-1 4-4-4 duplex built from a Bowser kit. His paint job looked like it came right from the factory. Ed edged out Michael for first place.

As I mentioned in last month's column, now is the time for any suggestions to enhance our monthly contests. We are blessed with some outstanding modeling in our division. We just need for more of you to share your projects with the group and talk about them! Next month's theme will be rolling stock of all types. See you then!

BRING N' BRAG RULES

Points are awarded for models according the following rules. Three points for a first place. Two points for second place and one point for third. One point is awarded for your first entry. A second point is given if that entry is "On Topic". A member may submit only one entry per month.

24th Annual Tri-State Model Railroad Show

The 24th Annual Tri-State Model Railroad Show will be held Greenbo Lake State Resort Park on March 17th and 18th, Saturday from 9am - 7pm and Sunday from 9am - 4pm. Admission and parking are free. The show will feature 7 1/2" gauge LIVE STEAM train ride!! Free for all!

The show will also have eight or more operating layouts, collections, displays and at least 75 tables of dealers. Greenbo Lake State Resort Park is just off state route 1 near Greenup, KY. I hope to see you all there.

Message From The Superintendent

We are already 25+ days into the new year and I haven't even cleared the Christmas Tree Tinsel from the model railroad. I hope everyone enjoyed January's meeting. I want to thank Mike Baskette for such a great clinic.

Our Meeting this month will be at 2:00 on Sunday, February the 4th at the Eagle Creek branch library off of Richmond Road. Randy Coffman will give a clinic on clamping while gluing structure kits. The layout tour will be a surprise!

This column will be very short this month as Ron K. tells me the Lantern will only be two pages. Tune in next month for more information about this year's Division 10 Train Show and other club activities.

Don't forget the 24th Annual Tri-State Model Railroad Show which I have written about elsewhere in the newsletter.

I hope to see you all there.

- John
