President Rick Cobb made the following announcements followed by discussion of each item.

Welcomed new member, Tom Wipert, from Winchester.

Clinics are set for September-December. Needs suggestions for tours and future clinics.

Reported on some of the statistics from the convention. See board minutes from 6/2/15 for details.

Division will need to be run more like a business in light of the additional funds available from the convention.

Larry Smith was Company Store chair and Stew Winstandley was photographer.

Possible future projects: Boy Scout Merit Badge training (Tom Bensberg informed Rick Cobb by phone that Bluegrass RR Club already conducts this program. Rick agreed that the division should coordinate with them.), conduct a "Training Day" similar to Dayton division, conduct a train show, start up a UK train club.

Division name tags will be ordered. A sign up list was provided. Cost is \$10. They will be ordered after September meeting.

Would like to include additional information on member profiles. Tom Bensberg will update profile from and submit to Rick for approval.

The church building where the division meets has been sold. Will need to find a new location. No one volunteered to chair the search committee. In the meantime, Bob Belt will reserve a meeting place at a library as a backup.

Planning to change Bring & Brag to eliminate voting and emphasize modeling techniques. Will have more dioramas that will be judged.
